APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application free from deleterious matter, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic feet per second.

Actual construction work shall begin on or before July 1, 1947

Proof of commencement of work shall be filed before August 1, 1947

Work must be prosecuted with reasonable diligence and be completed on or before July 1, 1949

Proof of completion of work shall be filed before August 1, 1949

Application of water to beneficial use shall be made on or before

July 1, 1950. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 1, 1950

Map Filed OCT 23 1941

Proof of commencement of work filed JUN 24 1948

Proof of Completion of work filed JUN 24 1948

PROOF OF BENEFICIAL USE FILED FEB 25 1952 (See 10683) of August 1946

PROOF OF BENEFICIAL USE FILED Aug. 25, 1952.

Certificate No. 3883 issued Oct. 15, 1952 for 0.3
